

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

JOHN EDWARD JACKSON,

Plaintiff

Case No. 2:21-cv-02023-RFB-VCF

ORDER

v.

CLARK COUNTY, *et al.*,

Defendants

**I. DISCUSSION**

On May 13, 2022, the Court dismissed this *pro se* civil rights action without prejudice based on Plaintiff's failure to file a non-prisoner application to proceed *in forma pauperis* or pay the full \$402 filing fee. (ECF No. 12). Judgment was entered, and the case was closed. (ECF No. 13).

On November 10, 2022, Plaintiff submitted a Motion for Filed Copies of Motions and Exhibits, requesting that the Court send him copies of all "filed motions and exhibits/evidence for this case." (ECF No. 18). The Court denies this Motion. To the extent that Plaintiff is seeking copies of documents filed in this case, the Court notes that there is a per page charge for copy work. Copies produced from an electronic format (CM/ECF) are \$0.10 per page; copies produced from a physical format are \$0.50 per page. An inmate has no constitutional right to free photocopying. *Johnson v. Moore*, 948 F.2d 517, 521 (9th Cir. 1991). The Court cannot provide free copies even to indigent plaintiffs, because the *in forma pauperis* statute does not authorize the Court to pay the costs for an indigent litigant's copy requests. 28 U.S.C. § 1915.

On December 7, 2022, Plaintiff submitted a Motion for a List of Filed Documents, requesting that the Court send him a list of all "filed titles and document numbers" for this action. (ECF No. 19). The Court grants this Motion, which it construes as a request for a copy of the docket sheet. The Court will direct the Clerk of the Court to mail to Plaintiff without charge a copy of the docket sheet for this case.
